Debbie Roach stated 6:00pm would work best, and Jack Baldwin suggested to keep the meetings at 5:30pm or start at 6:00p.m. Jack also suggested to hold meetings earlier in the winter time due to it getting darker earlier and then hold meetings later in the summer time when daylight lasts longer. Jack Baldwin made a motion for Cassie Hasekamp to send out an email to gather what time would accommodate the Solid Waste Board Members, seconded by Rod Dollars. Motion passed (4 ayes; 0 nays).

## **8. Other Business**

### **SWAB Update**

Cassie Hasekamp updated the Board on the SWAB meetings. In some solid waste districts, recycling facilities have pulled their bins out of schools and businesses across the state due to the decrease in prices for recyclable materials, thus creating a recycling crisis across the state. Cassie also informed the Board that DNR may have extra funds available to put toward future solid waste projects and asked the Board if they had any suggestions on what projects DNR should put the additional funds toward. Debbie Roach suggested to use the money to support tire recycling projects and to purchase portable weighing scales for household hazardous waste collections.

### **Planner's Report**

Cassie Hasekamp attended both the MORA Conference and the Resource Recycling National Conference. The MORA Conference had sessions that covered how to reduce food waste and ag plastic waste. The Resource Recycling National Conference focused more on curbside recycling. Region A's District Annual Report was submitted to DNR. From the report, 1,383.13 tons of solid waste were diverted by subgrantees during FY'18. The Household Hazardous Waste Collection Site was open on November 3, 2018, and 19 individuals attended the collection. The next collection will be held April 2019. Cassie also mentioned that she will update a list of recycling facilities in the district and include the updated inventory on an online map to make the information more available to the public.

## **9. Adjourn**

Rod Dollars motioned to adjourn the meeting at 6:25pm, seconded by Jack Baldwin. Meeting adjourned. Motion passed (4 ayes; 0 nays).
