### **Nodaway County Multi-Jurisdictional Hazard Mitigation Plan Update Meeting #2 Wednesday, March 29 @ 1 p.m.**

This public meeting is open to all public officials, residents, and stakeholders in Nodaway County. If you have an interest in making Nodaway County a safer place, please join us for this informative Hazard Mitigation meeting. Through the planning meetings, we are working to update risk assessments and mitigation strategies for various natural hazards that impact Nodaway County. The overall purpose is to identify mitigation measures to reduce or eliminate long-term risk from natural hazard events to the people and property in Nodaway County. The planning meeting will be held at the Maryville Public Safety Building, 101 N. Vine, Maryville, starting at 1 p.m.

During this meeting, we will discuss key issues from the risk assessment and participate in a facilitated discussion of the mitigation strategy including continuing mitigation actions identified in the previous plan as well as identification of any new mitigation actions that should be added to the mitigation strategy to ensure a comprehensive approach to hazard mitigation. In addition, action implementation details will be discussed for both continuing and new actions.

A RSVP is requested for anyone planning to attend. Please contact Amy Dowis at the Northwest Missouri Regional Council of Governments, (660) 582-5121 ext. 3, or by e-mail at [amy@nwmorcog.org](mailto:amy@nwmorcog.org) with questions and RSVPs.
